Esteemed Colleagues, may I kindly invite you to attend a policy dialogue to present recent findings and recommendations on the gendered-differentiated impacts of disasters on men and women. The policy dialogue offers a forum for policymakers to discuss the findings and explore important elements for the implementation of the gender action plan that can minimize the economic, food insecurity, and social impacts of the disasters.

The policy dialogue will be followed by a donors' round table which aims to mobilizing resources for the Gender Transformative Fund.

The venue of the aforementioned meeting is scheduled on 21<sup>st</sup> January 2022 at Monomotapa Hotel in Harare.

I sincerely thank you for your usual cooperation.
